Environment	Device: iPhone 11 Pro Max Browser: Safari Connection: Wi-Fi Battery Charge: 80%	
Summary	Clicking on the hamburger icon on the website https://zpolis.com.ua/ displays the information page incorrectly, specifically the word "Contacts" overlaps the address "Nikolsko-Slobodska".	
Description	After clicking on the hamburger icon to access the information page on the website https://zpolis.com.ua/ , a distorted layout is displayed. The word "Contacts" is positioned incorrectly and overlaps the address "Nikolsko-Slobodska", making it unreadable.	
Steps to Reproduce	1. Visit the website https://zpolis.com.ua/ru . 2. Click on the hamburger icon in the navigation panel. 3. Locate the contacts field and observe its improper placement.	
Actual Result	The information page displays incorrectly, with the word "Contacts" overlapping the address "Nikolsko-Slobodska".	
Expected Result	The information page should display correctly, with "Contacts" and "Nikolsko-Slobodska" in separate, readable sections.
